

# Woman From Tokyo

[unknown]

Fly into the rising sun  
Faces, smiling every one  
Yeah, she is a whole new tradition  
I feel it in my heart  
My woman from Tokyo  
She makes me see  
My woman from Tokyo  
She's so good to me  
Talk about her like a queen  
Dancing in a eastern dream  
Makes me feel like a river  
My woman from Tokyo  
She makes me see  
My woman from Tokyo  
She's so good to me  
But I'm at home  
And I just don't belong

So far away from the garden we love  
She is what moves in the soul of a dove  
Soon I will see just how black was my night  
When we're alone in her city of light  
Talk about her like a queen  
Dancing in a eastern dream  
She makes me feel like a river  
My woman from Tokyo  
She makes me see  
My woman from Tokyo  
She's so good to me  
My woman from Tokyo  
She makes me see  
My woman from Tokyo  
She's so good to me
