Nag

Nanne

Woe, baby you're a nag
(Nag, nag naggity nag)
You're a nag
(Nag, nag naggity nag)You're a nag
(Nag, nag naggity nag)
You're a nag
(Nag, nag naggity nag)Would you go do this
And go do that, nag
(Nag, nag naggity nag)(Nag)
You're always tellin' me what to do
(Nag)
I just can't seem to get rid of you
(You're a nag)
You order me around just like a slave(Nag)
You're gonna send me to an early grave
Would you go fix the bacon and don't burn the toast
Run down to the butcher shop
And buy me a roast(Nag)
The way you're naggin' never gonna stop
(Nag)
You always seem to be a blowin' your top
(You're a nag)
One of these days I'm gonna lose my mind(Nag)
Jump out a window and I'll be real fine
Would you go do this, go do that
Wash up all the dishes
And don't you talk backWhen I met you you were oh so sweet
Now you give me the bread and you take all the meat
You're always screamin' and hollerin' loud
I'm gonna buy me a ticket to the nearest cloudYou're a nag
(Nag, nag naggity nag)
You're a nag
(Nag, nag naggity nag)You're a nag
(Nag, nag naggity nag)
You're a nag
(Nag, nag naggity nag)Would you go do this
And go do that, nag
(Nag, nag naggity nag)
Hey you, get out of hereWhen I met you, you were oh so sweet

Now you give me the bread and you take all the meat
You're always screamin' and hollerin' loud
I'm gonna buy me a ticket to the nearest cloudYou're a nag
(Nag, nag naggity nag)
You're a nag
(Nag, nag naggity nag)You're a nag
(Nag, nag naggity nag)
You're a nag
(Nag, nag naggity nag)Would you go do this
And go do that, nag
(Nag, nag naggity nag)
I hate you, get out of here
