

# Money Trees

## Kendrick Lamar

[Verse 1: Kendrick Lamar]

Uh, me and my niggas trying to get it, ya bish  
Hit the house lick tell me is you with it, ya bish  
Home invasion was persuasive  
From nine to five I know it's vacant, ya bish  
Dreams of living life like rappers do  
Back when condom wrappers wasn't cool  
I fucked Sherane then went to tell my bros  
Then Usher Raymond Let it Burn came on  
Hot sauce all in our Top Ramen, ya bish  
Park the car then we start rhyming, ya bish  
The only thing we had to free our mind  
Then freeze that verse when we see dollar signs  
You looking like an easy come up, ya bish  
A silver spoon I know you come from, ya bish  
And that's a lifestyle that we never knew  
Go at a reverend for the revenue [Hook]  
It go Halle Berry or hallelujah  
Pick your poison tell me what you doing  
Everybody gon' respect the shooter  
But the one in front of the gun lives forever  
And I been hustling all day, this a way, that a way  
Through canals and alleyways, just to say  
Money trees is the perfect place for shade and that's just how I feel  
A dollar might just fuck your main bitch that's just how I feel  
A dollar might say fuck them niggas that you came with that's just how I feel  
A dollar might just make that lane switch that's just how I feel  
A dollar might turn to a million and we all rich that's just how I feel [Verse 2: Kendrick Lamar]  
Dreams of living life like rappers do  
Bump that new E-40 after school  
You know big balling with my homies  
Earl Stevens had us thinking rational  
Back to reality we poor, ya bish  
Another casualty at war, ya bish  
Two bullets in my Uncle Tony head  
He said one day I'd be on tour, ya bish  
That Louis Burger never be the same  
A Louis belt will never ease that pain  
But I'mma purchase when that day is jerking

Pull off at Church's with Pirelli's skirting  
Gang signs out the window, ya bish  
Hoping all of em offend you, ya bish  
They say your hood is a pot of gold  
And we gone crash it when nobody's home[Hook][Bridge (2x) - Anna Wise]  
Be the last one out to get this dough, no way  
Love one of you bucket headed hoes, no way  
Hit the streets, then we break the code, no way  
Hit the brakes, when they on patrol, no way[Verse 3: Jay Rock]  
Imagine Rock up in the projects where them niggas pick your pockets  
Santa Claus don't miss them stockings, liquor spilling pistols popping  
Baking soda YOLA whipping, ain't no turkey on Thanksgiving  
My homeboy just domed a nigga, I just hope the Lord forgive him  
Pots with cocaine residue, everyday I'm hustling  
What else is a thug to do when you eatin' cheese from the government  
Gotta provide for my daughter n'em, get the fuck up out my way, bish  
Got that drum and got them bands just like a parade, bish  
Drop that work up in the bushes, hope them boys don't see my stash  
If they do, tell the truth, this the last time you might see my ass  
From the gardens where the grass ain't cut, them serpents lurking, blood  
Bitches selling pussy, niggas selling drugs but it's all good  
Broken promises, steal your watch and tell you what time it is  
Take your J's and tell you to kick it where a FootLocker is  
In the streets with a heater under my dungarees  
Dreams of me getting shaded under a money tree[Hook][Outro]

K's Mom: Kendrick, just bring my car back man. I called in for another appointment. I figured you weren't gonna be back here on time anyways. Look, shit, shit, I just wanna get out the house man. This man, on one, he feeling good as a mother fucker. Shit, I'm trynna get my thing going too. Just bring my car back. Shit, he faded.

He feeling good. Look, listen to him.

K's Dad: Girl, Girl, I want your body, I want your body, cause of that big ol' fat ass. Girl, Girl, I want your body, I want your body, cause of that big ol' fat ass.

D's Mom: See he high as hell, and he ain't even tripping off them damn dominoes anymore. Just bring the car back.
