Love Is A Many Splendored Thing

Clifford Brown & Max Roach

It's the April rose that only grows in the early Spring
Love is nature's way of giving a reason to be living
The golden crown that makes a man a king
Once on a high and windy hill, In the morning mist
Two lovers kissed and the world stood still
Then your fingers touched my silent heart and taught it how to sing
Yes, true love's a many splendored thingIt's the April rose that only grows in the early Spring
Love is nature's way of giving a reason to be living
The golden crown that makes a man a king
Once on a high and windy hill, In the morning mist
Two lovers kissed and the world stood still
Then your fingers touched my silent heart and taught it how to sing
Yes, true love's a many splendored thing
