Advisory - the following lyrics contain explicit language:

Hey! This for Mark fucking B. and John fucking O'Rourke.  
And I can't say their full god damn names 'cause their fuckin' corporate shit are gonna sue my ass!  
I'm tired, I'm frustrated, I'm full of shit, and I hate my fuckin' job! While walking to work most every day I  
don't know what to do than fuck all day  
And I'm at a fucking desk and I fucking had it at it 'n' all the rest I hate my job! I hate my job!  
I hate my job!  
I hate it  
wow  
While walkin' to work and then fucking seeing 'em  
I don't give a god damn or apology  
You gonna fuck with me?  
you're fucking arrogant  
Gonna shoot my boss, god damn I hate my job! I hate my job!  
I hate it!  
I hate the fuck out of it!  
How 'bout you? While walkin' to my desk, my boss 's sit' there  
I don't know what to think  
See "Say you know what?"  
Duh-da-da-da--never have no fun I wanna shoot my boss with a machine-gun  
I hate my job! I hate my job!  
I hate it!  
I hate the fuck out of it!  
How 'bout. what? fuck!  
hate it!
