

Someone Like You

Stage Dolls

All the time
You are on my mind
And I can't find a way to let you go..
Can't you see what you do to me
Its hard to be left here all alone
I can chase this dream forever
Cuz you're always on my mind
We are meant to be together
And now is the time, to make you mine I wanna kiss someone like you
I wanna feel the way I do
Wanna hold you in my arms when you are dreaming
I wanna say the magic words, wanna tell you how it hurts
To be the one
To love someone like you. If you knew
What I felt for you hey!
what can I do, Its tearing me apart
Every day, every day I pray
That i find a way to open up your heart
when the nights are getting colder
You need someone to keep you warm
a woman needs someone to hold her
Let me be the one
Let me be the one I wanna kiss someone like you
I wanna feel the way I do
Wanna hold you in my arms when you are dreaming
I wanna say the magic words, wanna tell you how it hurts
To be the one
To love someone like you. I can chase this dream forever
And now is the time
To make you mine
