# Give To Caesar

## Alove for Enemies

We have lost ourselves to their game
Everyday it's always the same, I see the truth and it's slipping away
It's time we learn how to separate
We have to separate and give it away,
Unlearn the prophecy that we no longer have to pray, to you
We need a fire in our hearts, we need renewal for our souls
We have lost ourselves to our game
It's time we rejoice in giving away,
alive in Christ we know he's the way, we all know today is the day
We have to separate and give it away,
Unlearn the prophecy that we no longer have to pray, to you
Give to Caesar what is his
Give to Jesus all you are
