Where Do I Hide

Nickelback

Got criminal record, I can't cross state lines First on the bad list and you're last on mine Lookin' for a scapegoat, long past due

Walking down the aisle, I'm staring straight at youI still hear him screaming, "Where do I hide?" And now he asks and I say, "Hurry inside"He said, she said and no she don't

Be back before morning, and you know she won't

Well I remember that summer like yesterday

And I remember his mother as he was dragged awayI still hear him screaming, "Where do I hide?"

And now he asks and I say, "Hurry inside"

A whole lot of memories yours and not mine

And now he asks and I say, "Hurry inside"Got criminal record, I can't cross state lines

First on the bad list and you're last on mine

Lookin' for a scapegoat, long past due

Walking down the aisle, staring straight at youI still hear him screaming, "Where do I hide?"

And now he asks and I say, "Hurry inside"

A whole lot of memories yours and not mine

And now he asks and I say, "Hurry inside"

Where do I hide?
