White Galactic One

Lotus Plaza

I know you're only frightened of The pain of feeling stifled

> Dancing 'round my head Floating 'round my head Please take my right hand I'll go where I'm led

> > I see your face
> > I feel your touch
> > I feel the love
> > I miss so much

Dancing 'round my head Floating 'round my head Please take my right hand I'll go where I'm led
