

# Vortex

## NXS

Internal combustion  
Multiple personalities  
Terror inside of me  
A mask of silent agony Curse the falling rain  
The vortex of pain As medieval as Merlin  
A pact for power was made  
Lucifer in transition  
It's time, time the price was paid Scorchin' the domain  
The vortex of pain A telestic message  
Written in torment  
Howl out dirges  
Like the horns of Jericho  
Distorted faces  
Writhin' in rage  
Walls of purgatory  
Tumble down  
Endless death  
The jewels of a crown  
The jewels of the crown
