

# No Regrets

Robbie Williams

Tell me a story  
Where we all change  
And we'd live our lives together  
And not estranged I didn't lose my mind it was  
Mine to give away  
Couldn't stay to watch me cry  
You didn't have the time  
So I softly slip away No regrets, they don't work  
No regrets now, they only hurt  
Sing me a love song  
Drop me a line  
Suppose it's just a point of view  
But they tell me, I'm doin' fine I know from the outside  
We looked good for each other  
Felt things were goin' wrong  
When you didn't like my mother I don't want to hate but that's  
All you've left me with  
A bitter aftertaste and a fantasy of  
How we all could live No regrets, they don't work  
No regrets now, they only hurt  
(We've been told you stay up late)  
I know they're still talking  
(You're far too short to carry weight)  
The demons in your head  
(Return the videos they're late)  
If I could just stop hating you  
(Goodbye)  
I'd feel sorry for us instead Remember the photographs insane  
The one where we all laugh so lame  
We were havin' the time of our lives  
Well thank you, it was a real blast No regrets, they don't work  
No regrets now, they only hurt  
(We've been told you stay up late)  
Write me a love song  
(You're far too short to carry weight)  
Drop me a line  
(Return the videos they're late)  
Suppose it's just a point of view  
But they tell me, I'm doin' fine Everything I wanted to be

Every time I walked away  
Every time you told me to leave  
I just wanted to stay  
Every time you looked at me and  
Every time you smiled  
I felt so vacant, you treat me like a child I loved the way we used to laugh  
I loved the way we used to smile  
Often, I sit down and think of you  
For a while  
Then it passes by me and I think of  
Someone else instead  
I guess the love we once had  
Is officially dead
