Glee Cast

When I think of home, I think of a place
Where there's love overflowing
I wish I was home, I wish I was back there
With the things I've been knowing
Wind that makes the tall grass bend into leaning
Suddenly the raindrops that fall have a meaning
Sprinkling the scene makes it all clean
Maybe there's a chance for me to go back
Now that I have some direction
It sure would be nice to back home
Where there's love and affection
Then just maybe I can convince time to slow up
Giving me enough time in my life to grow up
Time, be my friend
(Let me start again)
Let me start again
Suddenly my world has gone and changed its face
But I still know where I'm going

(Where I'm going)
I have had my mind spun around in space
Yet I've watched it glowing
If you're listening God, please don't make it hard to know
If we should believe in the things that we see
Tell us, should we try and stay? Or should we run away?
(Should we stay?)
Or would it be better just to let things be?
Living here in this brand new world
(Brand new world)
Might be a fantasy, whoa
(Fantasy)
But it's taught me to love so it's real, real, real to me
And I've learned we must look
Look inside our hearts to find
Yeah, a world full of love
(World full of love)
Like yours, like, like, like home
