## Traci Braxton

Eh, eh, eh  
I took one day at a time  
Now I'm at the borderline  
Ooh just like that dynamite  
I'm gonna lose my mind  
Don't want to move to fast  
I just think its better if  
We let it out, let it out, lay it on the line  
Don't want to say that I'm done or I'm giving up  
But there are times where you push me to the point of letting go  
My apprehensions take control cause I know  
I know that cause loving you-ou-ou  
Baby it's not easy but I choose to  
I choose you-ou-ou  
And I never want to let you go, let you go  
No doubts mistakes were made  
Said things we should never say  
Mental scars won't just fade away  
They can be replaced  
We can make it if we try  
No more secrets no more lies  
We're in love we'll be fine  
Don't want to say that I'm done or I'm giving up  
But there are times where you push me to the point of letting go  
My apprehensions take control cause I know  
I know that cause lovin you-ou-ou  
It's not easy but I choose you  
I choose you-ou-ou  
And I'll never want to let you go let you go  
Don't want to lose you baby  
Don't want to lose you baby  
Don't want to lose you baby  
Don't want to lose your love  
Don't want to lose you baby  
Don't want to lose you baby  
Don't want to Lose you baby  
Don't want to lose your love  
Not gonna say I'm done or I'm giving up  
Not gonna say that there are times when I feel like letting go

Apprehensions overload cause I know  
I know that cause lovin you-ou-ou  
Baby it's not easy but I choose to  
I choose you-ou-ou  
And I'm never gonna let you go let you go  
And I love you
