

High Steppin' Daddy

Kentucky Headhunters

I'm a high steppin' daddy and I sure do get around
Ain't no woman gonna' make me settle down
I go out at night and get full of gin
I kiss the girls and thank the men
I'm a high steppin' daddy and I sure do get around
Well, I'm a high steppin' daddy and I drive a Cadillac
I got a big old guitar layin' in the back
When we pull over and we're sittin' still
If my lovin' don't getcha' then my pickin' will
I'm a high steppin' daddy and I drive a Cadillac
Well, I'm a high steppin, high steppin', home wreckin', low down daddy
I like the feelin' when the women get to squeelin' in the back of my Caddy
So don't you pick on me
'Cause I'll do as I dog gone please
I'm a high steppin' daddy
Step on it
I'm a high steppin' daddy and I'm goin' out tonight
Come along with me baby and I'll sure treat you right
We go out at eight and come in at three
If you want to have some fun, come along with me
I'm a high steppin' daddy and I'm goin' out tonight
Well, I'm a high steppin, high steppin', home wreckin', low down daddy
I like the feeling when the women get to squeelin' in the back of my Caddy
So don't you pick on me
'Cause I'll do as I dog gone please
I'm a high steppin' daddy
A high steppin' daddy
Well, I'm a high steppin' daddy
