# On Your Own

## Fryars

Hello, it's only me
I come and go with minimum flare
I've been your closest ally
You're coming like them waves
I know that you're unstoppable, babe
I'll be your hardest critic
On your own, feeling like you don't belong
On your own, feeling like you don't belongYou haven't spoke in days
You're like my rock in so many ways
I'll be your greatest heartache
On your own, feeling like you don't belong
On your own, feeling like you don't belong
I ain't gonna stand on at everyone
I could make my own way just for once
I'm healthy
I'm a little different to myself
I'ma make her be like straight to hell
I'm so healthy, healthy
On your own, feeling like you don't belong
On your own, feeling like you don't belong
On your own, feeling like you don't belong
On your own, feeling like you don't belong
And stay strong, when you're feeling like you don't belong
And stay strong, when you're feeling like you don't belong
