

Wanted Dread and Alive

Peter Tosh

Said I'm wanted, dread and alive,
By the evil forces.
Said I'm wanted, dread and alive,
Nowhere to hide.
They are trying to find me.

Babylon charge I for ganja,
Which I know couldn't do.
How could one man Gang Jah,
Must be an ape from the zoo.

Said I'm wanted, dread and alive,
By the evil forces, ah.
I've been wanted, dread and alive,
No place to hide.
They are trying to find me.

I've been accused for a shootin', yah,
Jah know, never do.
Who dem in prison that willing,
So I've got to pull my way through.

Said I'm wanted, dread and alive,
By the evil forces, yeah.
Said I'm wanted, dread and alive,
No place to hide.
They are trying to find me.

Yesterday was court day,
And I man forget to go.
Today my name is in my papers, yeah,
And next warrant they will show.

So I'm wanted, dread and alive,
By the evil forces.
Said I'm wanted, dread and alive,
No place to hide.
They are trying to find me.

Now I've got to, judge two guns,

To protect myself from men.
'Cause I've never done nothin' wrong,
And I hate travelling scared.

And I'm wanted, dread and alive,
By the evil forces, yes.
I'm always wanted, dread and alive,
No place to hide.
I know they are trying to find me.

And I'm wanted, dread and alive,
By the evil forces, yah.
Said I'm wanted, dread and alive,
No place to hide.
I've been wanted..
