

Miserable Failure

Iron Reagan

Sometimes I can't get up
To face the day
Some folks just wont let up
And keep bothering me.I live by my own rules which may bother some
Just because I'm not like you doesn't mean that I'm dumb
I'd rather just set a fire and be left alone.I'm a miserable failure
That's what I'm told
Miserable failure
Much too old
I'm a Miserable failure
I don't know why
Miserable failure until I die.
Sometimes I can't get up
To face the day
Some folks just wont let up
And keep bothering me.
I'm a miserable failure
That's what I'm told
Miserable failure
Much too old.
