Explain

Corey Hunt Band

The Sky Is Gray But The Rain Won't Fall
It's Just Mist On My Face
I Look Around For Answers
But I Can't Find A Trace

Of Where You've Been, Or Where You've Gone
How Did We Go So Wrong
I Lie Awake All Night in Bed, Trying To Retrace My Steps

(chorus)
Did I Not Care Enough
Did I Try Too Much
Was It Something I Did
Could You Just Tell Me
Because I Can't Sleep At Night
I Wake Up And Curse Your Name

But I Don't Want You Back
I Just Wish You Would Explain

Well I Counted On You
I Counted On Us
I Thought Everything Was Simple, Once Two People Fell In Love
Fell In Love, That's What I Thought
How Could I Have Been So Wrong
I Lie Awake All Night In Bed, Trying To Retrace My Steps

(chorus)
Did I Not Care Enough
Did I Try Too Much
Was It Something I Did
Could You Just Tell Me
Because I Can't Sleep At Night
I Wake Up And Curse Your Name

But I Don't Want You Back
I Just Wish You Would Explain

Did I Not Care Enough
Did I Try Too Much

Was It Something I Did
Could You Just Tell Me
Because I Can't Sleep At Night
I Wake Up And Curse Your Name

But I Don't Want You Back.....

Did I Not Care Enough
Did I Try Too Much
Was It Something I Did
Could You Just Tell Me
Because I Can't Sleep At Night
I Wake Up And Curse Your Name

But I Don't Want You Back
I Just Wish You Would Explain
I Just Wish You Would Explain
