

This Time

P.o.d.

And is this, where we need to be?
Or are we tired of looking?
Searching for more than eyes can see
Something to believe in
It slipped away, fell away, tried to play yourself
No turning back, all alone and there's nobody else
Who even knows I'm missing
And I, and I will run but this time
It's worth more than the chance we're taking
And I, and I will run but this time
Wanting more has got me waiting
This time for love
And I have done this all before
And nothing ever changes
Waiting gets harder every time
I don't know how to stay still
And nothing more left to lose, throw it all away
Maybe the last chance I get to see your face
I can't afford to leave here
And I, and I will run but this time
It's worth more than the chance we're taking
And I, and I will run but this time
Wanting more has got me waiting
And I, and I will run but this time
It's worth more than the chance we're taking
And I, and I will run but this time
I need to know so I'll be waiting
This time for love
And I, and I will run but this time
It's worth more than the chance we're taking
And I, and I will run but this time
Wanting more has got me waiting
And I, and I will run but this time
I can't believe the chance we're taking
And I, and I will run and I, and I will run
This time for love
