

# Love

## Inna

Don't wanna be  
Don't wanna be Am I, am I dreaming  
What I feel tonight about you and I?  
Am I, am I dreaming?

I can feel your love when I hold you tight I just wanna love you and you're the one, I need you  
And I just wanna give all my love I have  
With my lips, I'm feeling and when I say I mean it  
'Cause you're the only one that I feel tonight Come back and set me free now from infinity  
Love is a mystery, distance is killing me  
Come back, I need you now, you are the love I found  
I feel above the ground, you'll take me round and round Don't wanna be  
Don't wanna be Come back and set me free now from infinity  
Love is a mystery, distance is killing me  
Come back, I need you now, you are the love I found  
I feel above the ground, you'll take me round and round Don't wanna be  
Don't wanna be Am I, am I dreaming  
What I feel tonight about you and I?  
Am I, am I dreaming?

I can feel your love when I hold you tight I just wanna love you and you're the one, I need you  
And I just wanna give all my love I have  
With my lips, I'm feeling and when I say I mean it  
'Cause you're the only one that I feel tonight Come back and set me free now from infinity  
Love is a mystery, distance is killing me  
Come back, I need you now, you are the love I found  
I feel above the ground, you'll take me round and round Don't wanna be  
Don't wanna be Come back and set me free now from infinity  
Love is a mystery, distance is killing me  
Come back and set me free now from infinity  
Love is a mystery, distance is killing me Come back and set me free now from infinity  
Love is a mystery, distance is killing me  
Come back and set me free now from infinity  
Love is a mystery, distance is killing me Come back, I need you now, you are the love I found  
I feel above the ground, you'll take me round and round
