

For Real

Athena

Oooo, come in up, come in up, come in up now,
What you doing what you waiting for.
Oooo, it's time to push it break it rush it,
Don't ever let life pass you by. All I know is you don't want to be find all the crowd,
Realize yourself.
You say it but you feelin' what you sayin' has no meanin',
Don't hide your soul. For real, im for real, come on.
Up, I wanna bring you up,
I wanna bring you up,
I wanna bring you up,
I wanna bring you up,
Do you want, do you want,
Up, I wanna bring you up,
Up, I wanna bring you up, Please, please,
No questions, no answers,
No more runnin' around the circles.
Are you in, are you out,
Don't you know the way out.
Let me taken you, into sky. For real, im for real, come on,
Up, I wanna bring you up,
I wanna bring you up,
I wanna bring you up,
I wanna bring you up.
Do you want, do you want,
Up, I wanna bring you up,
Up, I wanna bring you up. I wanna bring you up,
I wanna bring you up,
I wanna bring you up,
I wanna bring you up.
Do you want, do you want,
Up, I wanna bring you up,
Up, I wanna bring yo!
Come on (come on)
Rising up now, rising up now.
