

# Little Gals

## The Barberettes

Little Gals as transcribed into English.

"Gasinaedeul"

When those little gals  
Gather their heads and sing a song  
All the boys in town, their hearts start to pound  
They come listen to the little gals  
Flowerâ€™s blooming, the springâ€™s coming  
Changing into beautiful new clothes  
Get ready to greet our special one  
Little gals, our heart start to pound  
Ah- I donâ€™t know, really donâ€™t know  
[SA/SH](really donâ€™t know)  
When you come talk to me  
[SA/SH](Oh Oh Oh)  
Ah â€“ my cheeks get rosey red  
[SA/SH](Oh Ahh)  
And my head gets dizzy, hey  
When the little gals Oh~  
Gather their heads and sing a song  
All the boys in town, their hearts start to pound  
They come listen to the little gals  
Ah â€“ I donâ€™t know, really donâ€™t know  
[SA/GH](really donâ€™t know)  
When you come smile at me  
[SA/GH](Oh Oh Oh)  
Ah â€“ The windâ€™s sound plays like a song  
[SA/GH](Oh Ahh)  
And my heart starts to sway, hey  
When the little gals Ohh~  
Gather their heads and sing a song  
All the boys in town, their hearts start to pound  
They come listen to the little gals  
Little gals (Little gals) Little gals (Little gals)  
Little gals (Little gals) Little gals (Little gals)  
Little gals Little gals Little gals Ah-ah  
Little gals Little gals Little gals Ah-ah  
We are the singing little gals!
