

Too Tight

Con Funk Shun

The magic of your smile
Lights my candle
The tenderness we share
Let's me know that you care Somethin' 'bout the way
Your touch moves me with gladness, makes me happy, baby
And in the sweetest way
Chases away all the sadness Some right, some wrong
Sweet nights, sweet songs
It's so weak, but so long (Our love is)
It's too tight and too strong Million dollar feelin'
Comes all over my body
Ah, sing it to the ceiling, Lord
So we know what You're hummin' Cast your faith in my direction
Lay your sweet hand in mine
So glad I'm Your selection, Lord
I think our love stands any test of time, oh Some right, some wrong
Sweet nights, sweet songs (It's so long)
It's so weak, but so long (Our love is)
It's too tight and too strong Somethin' 'bout your lovin'
Somethin' 'bout your lovin' Some right, some wrong
Sweet nights, sweet songs
It's so weak, but so long (Our love is)
It's too tight and too strong Some right, some wrong
Sweet nights, sweet songs (It's so long)
It's so weak, but so long (Our love is)
It's too tight and too strong Some right, some wrong
Sweet nights, sweet songs
It's so weak, but so long (Our love is)
It's too tight and too strong Somethin' 'bout your lovin'
Somethin' 'bout your lovin'
Somethin' 'bout your lovin'
Somethin' 'bout your lovin' Somethin' 'bout your lovin'
Somethin' 'bout your lovin'
Somethin' 'bout your lovin'
Somethin' 'bout your lovin'
