

# I Always Will (feat. Tayla Rede)

## Vineyard Anaheim

### Verse 1

I love You God, I always will  
Youâ€™ve never left my side, and I know You never will  
I trust You God, I always will  
Youâ€™ve never let me down and I know You never will

### Chorus

Through highs and the lows  
I know Youâ€™ve seen it all  
Through the changing, in the waiting  
All the moments in between  
Youâ€™ve come closer and closer to me  
Youâ€™ve come closer and closer to me

### Verse 2

I choose You God, in everything  
In every choice I make, I will hold onto your ways  
I need You God, in everything  
In every step I face, I will bless Your Holy name

Through highs and the lows  
I know Youâ€™ve seen it all  
Through the changing, in the waiting  
All the moments in between  
Youâ€™ve come closer and closer to me  
Youâ€™ve come closer and closer to me

Lead me through the valleys youâ€™d like  
I know Iâ€™ll be fine by your side  
Day or night this is my desire  
Just to be right here by your side  
Show me mountains Iâ€™ll only find  
When Iâ€™m standing close by Your side  
I have come to see from these heights  
There is only peace by Your side  
Write through me the story Youâ€™d like  
Iâ€™ll go anywhere by your side  
Through my days itâ€™s this I will find  
You have always been by my side
