Scrape

Unsane

Not stopping
You follow through
You know it's wrong
What will you do?
No time to look out
No time for you
It can't be the
Things that you do
Not having it
I'm not tracking
I'm not through
You know you fucked up
Now what can you do?
It's not the money
I gotta clue
I can't stand
Most things about you
Not having it
Understand
Understand me
