

# Please Don't Die

[Robbie Williams](#)

Let me lie down  
Please don't wake me  
Nothing's sacred  
And no one save me In my black eye  
I can feel it moving closer  
Can't you hear it? Only gift you gave to me  
Was self-fulfilling prophecy  
I'm here to change the sounds  
That shaped my life And if you die before I leave  
What on earth becomes of me?  
Look around, there's no one here  
To love me and hold me Take me dancing  
I love music, keep on singing  
We won't lose it Bet ya leaving, missing no one  
If your heart's run free  
Why can't we go on? Go on till they kick us out  
We've everything to talk about  
I could bring the song into your life If you should die before I leave  
What on earth becomes of me?  
Look around, there's no one here  
To love me and hold me Maybe I've been away too long  
I know I'm not always right but is that wrong?  
They say there's nothing I can do  
But talk to strangers and wait for you If you should die before I leave  
What on earth becomes of me?  
Look around, there's no one here  
To love me and hold me And if you die before I leave  
What on earth becomes of me?  
Look around, there's no one here  
To love me and hold me
