

# Never Gonna Give You Up

[Lyn Collins](#)

Whatever, whatever, babe I'll do it  
Forever and ever, yeah, yeah, yeah, yeah  
I'll see You through it

I've got to keep You pleased in every way I can  
Gonna give You all of me, as much as You can stand  
Make love to You right now, that's all I want to do  
I know You need it boy and You know  
I need it too, 'cause

I've found what the world is searching for  
Here, right here my dear I don't have to look no more  
And all of my days I hoped and I prayed  
For someone just like You to make me feel the way You do

Never, never gonna give You up  
I'm never ever gonna stop  
Not the way I feel about You  
Baby, I just can't live without You  
I'm never ever gonna quit  
'cause quitting just ain't my stick  
I'm gonna lay right here with You  
And do all the things You want me to

Whatever You want  
boy You got it  
And whatever You need  
I don't wanna see You without it

You've given me much more than words could ever say  
Oh my dear I'll be right here until my dying day  
I don't know just how to say all the things I feel  
I just know that I love You so  
And it gives me such a thrill 'cause

I've found what the world is searching for  
Here, right here my dear I don't have to look no more  
And all of my days I hoped and I prayed  
For someone just like You to make me feel the way You do

Never, never gonna give You up  
I'm never ever gonna stop  
Not the way I feel about You  
Baby, I just can't live without You  
I'm never ever gonna quit  
'Cause quitting just ain't my stick  
I'm gonna lay right here with You  
And do all the things You want me to
