

Stupify

Disturbed

Yeah, bringing you another disturbing creation
From the mind of one sick animal who can't tell the difference
And gets stupefied I've been waiting my whole life for just one fuck
And all I needed was just one fuck
How can you say that you don't give a fuck
I find myself stupefied, coming back again All I wanted was just one fuck
One tiny little innocent fuck
And when I feel like I strayed out of luck
I find myself stupefied, coming back again Why do you like playing around with my narrow scope of reality?
I can feel it all start slipping, I think I'm breaking down
Why do you like playing around with my narrow scope of reality?
I can feel it all start slipping away See but I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it?
I get stupefied, it's all the same you say, live with it But I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it
I get stupefied, I get stupefied All the people in the left wing rock
And all the people in the right wing rock
And all the people in the underground rock
I find myself stupefied, coming back again All the people in the high rise rock
And all the people in the projects rock
And all la hente in the barrio rock
I find myself stupefied, coming back again Why do you like playing around with my narrow scope of reality?
I can feel it all start slipping, I think I'm breaking down
Why do you like playing around with my narrow scope of reality?
I can feel it all start slipping away See but I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it?
I get stupefied, it's all the same you say, live with it But I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it?
I get stupefied, I get stupefied It's my fear
it's my fear And don't deny me
No baby now, don't deny me
And darlin', don't be afraid But I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it?
I get stupefied Look in my face, stare in my soul

I begin to stupify
Look in my face, stare in my soul
I begin to stupifyLook in my face, stare in my soul
I begin to stupify
Look in my face, stare in my soul
I begin to stupifyLook in my face, stare in my soul
Look in my face, stare in my soul
Look in my face, stare in my soul
Look in my face, stare in my soulLook in my face, stare in my soul
Look in my face, stare in my soul
Look in my face, stare in my soul
I begin to stupify
