Across the Universe

David Bowie

Words are flowing out like endless rain into a paper cup
They slither wildly as they slip away across the universe
Pools of sorrow, waves of joy are drifting through my opened mind
Possessing and caressing meNothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my worldImages of broken light which dance before me like a million eyes
They call me on and on across the universe
Thoughts meander like the restless wind inside a letter box
They tumble blindly as they make their way across the universeNothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my worldSounds of laughter, shades of life
Are ringing through my open ears, inciting and inviting me
Limitless undying love, which shines around me like a million suns
It calls me on and on and on across the universeNothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my worldNothing, nothing, nothing, nothing's gonna
Nothing's gonna change my world
Nothing, nothing, nothing, nothing's gonna
Noth, nothing's gonna change my worldNothing's gonna change it
Nothing's gonna change it
Hey yeah, nothing's gonna change it
Nothing's gonna change it
Nothing's gonna change it
Nothing's gonna change it
Nothing's gonna change my worldNothing's gonna change it
Nothing's gonna change it
Nothing's gonna change my world
