Inside My Love

Lisa Shaw

A torch that burns inside of me
Seems to light the way
It tells me youâ€™re coming
But youâ€™re miles away
Maybe my imagination has held on too long
What your love has done to me will always belong

Inside my love (8x)

When i think of letting go
I find I hold on tighter
I wonder if Iâ€™ll ever know
If Iâ€™m a lover or a fighter
And when I know the cross I have to bear
I think of you by my side
And I have no fear

Inside my love (8x)
