

Breaking the Chains (Re-Recorded)

Dokken

You sit there thinkin' in your room
You feel the pressure you're goin' crazy too
The walls around you closin' in
You need a change Claustrophobic feelin' scared
You need somebody but no one seems to care
A one way ticket a change of pace
You've had enough you can't take no more Breaking the chains around you
Nobody else can bind you
Take a good look around you
Now you're breaking the chains I got this letter came today
From my baby who left me yesterday
Said, She loves me she'll come back
She wants to try I won't let her she'll be upset
I know it's better than somethin' I'll regret
She's been dishonest and insincere
I lost my mind twenty times a year Breaking the chains around you
Nobody else can bind you
Take a good look around you
Now you're breaking the chains Woke up today I'm alone
While I look around but baby you were gone
But I don't mind and I don't worry
I will survive I'm alone now that you're gone
Don't need nobody to hold or tie me down
I broke the chains so let me be
I've gotta be free, free Breaking the chains around you
Nobody else can bind you
Take a good look around you
Now you're breaking the chains Breaking the chains around you
Nobody else can bind you
Take a good look around you
Now you're breaking the chains
