

Marlboro Man

Dad

I'm your cigarette man
I'm doing the best I can
I'm your cigarette man
I'm doing the best I can
You might find me on your TV-screen
Or on the cover of a magazine
But I'll be sitting on a horse
With a smoke of course Coz I'm the Marlboroman
- I'm the Marlboroman
Coz I'm the Marlboroman
- I'm the Marlboroman I just stand here in the shade
I'm american made
Coz I'm tough and I'm mean
I'm the american dream
Do as I: Inhale, don't blow it!
You'll get the feeling & you know it...
When the smoke gets to your brain...
It makes you quite insane... Coz I'm the Marlboroman
- I'm the Marlboroman
Coz I'm the Marlboroman
- I'm the Marlboroman
