# I Belong to You

## Love Unlimited

I belong to you
For as long as you want me to
I belong to you
For as long as you want me toIn love with you I'll always be
Forever true till you set me free
Please don't you worry
About all the guys around
They can't sweet talk me
They can't put you downAin't nothin' they can say
My darlin' ain't no way
All that I want I've got
All I can think of is only you nowI belong to you
For as long as you want me to
I belong to you baby
For as long as you want me toThere's no love
Like what we've known
Everything is right
We can't go wrongGirls don't bother me
No matter what they do
Any fool can see
Baby I've got youI may not be the best but
I ain't seen no one yet
Love you the way I do
All I can think of is only you loveI belong to you
For as long as you want me to
I belong to youAin't nothin' they can say
My darlin' ain't no way
All that I want I've got
All I can think of is only you now
And only you now that's all I can think ofI belong to you
For as long as you want me to
I belong to you
For as long as you want me toI belong to you
For as long as you want me to
I belong to you
