First You Break It

Filter

Feel like no other, trying to recover
Watching what happens when you do it wrong

Seeing you could swallow, laughing with the others
But itâ€™s better long

[Chorus]
First you break it then you fake it
Try and pass it up like we wonâ€™t know
First you break it then you fake it
Try and pass it up like we wonâ€™t know

I canâ€™t believe what I read on the screen
Itâ€™s a star filled night and you turn off the lights

Itâ€™s the safest place that I burn in the stake
Itâ€™s a sparkling, shining, heartfelt pride

[Chorus: x5]
