Pretty Girl

Sanchez

This little girl, pretty little girl
This little girl, pretty little girl
This little girl, pretty little girl
I wanna knowThis little girl, pretty little girl
This little girl, pretty little girl
This little girl, pretty little girl
I wanna knowThe whole towns talking about her
This sweet little girl from Gentiah
Shes got a property
That I truly admireShe smiles when I call her mi Scottie
She hears it everywhere that she goes
Where in the world did she get it?
Dont ask me, I dont knowIve found the right words to say
To get her into my world
God knows Im serious
Im not jokingI know youre saying Im crazy
Telling your friends Im a clown
I really like what Im seeing
So I wont let downSo I know that you know my intentions
On the table I lay down my cards
Im making all the preparations
To send my arrow to you heartIll find the right words to say
To get you into my world
God knows Im serious
Im not jokingI invited her out to the movies
But it was a flick she would like
But she said lets find a disco
Where we can jam all nightWe found a place so nice and cozy
Few miles on the outskirts of town
We got so close together
I know shell sneak aroundThis little girl, pretty little girl
This little girl, pretty little girl
This little girl, pretty little girl
I wanna knowThis little girl, pretty little girl
This little girl, pretty little girl
This little girl, pretty little girl
I wanna knowThe whole towns talking about her
This beautiful girl from Gentiah
Shes got a property

That I truly admireShe smiles when I call her mi Scottie
She hears it everywhere that she goes
Where in the world did she get it?
Dont ask me, I dont knowIll find the right words to say
To get her into my world
God knows Im serious
Im not jokingI know youre saying Im crazy
Telling your friends Im a clown
I really like what Im seeing
So I wont back downSo I know that you know my intentions
On the table I lay down my cards
Im making all the preparations
To send my arrow to your heartThis little girl, pretty little girl
This little girl, pretty little girl
This little girl, pretty little girl
I wanna knowThis little girl, pretty little girl
This little girl, pretty little girl
This little girl, pretty little girl
I wanna know
