

You Never Know

Goldfrapp

How long now
How long now I love you
Steel painted eyes
Feels like snow
Change my head
Days so long You never know
You never know
You never know You never know
You never know
You never know
Just how long
It will be Here we go again
We're going round and round
Here we go again
We're going round and round Today I know
It's too long dare we'll see
Feels like snow
Chained myself to me You never know
You never know
You never know You never know
You never know
You never know
Just how long
It will be Here we go again
We're going round and round
Here we go again
We're going round and round How long now
Longest story
Long now How long now
Longest story
Long now Longest story
Longest story How long now
Longest story
Long now
Longest story
Long now
