

Outrage

awrenzas

I'll take the blame for you for taking one
Chance away from me at getting over this
And what you were to me, your work is done

I'm laughing, after all we're getting too old for this
And what a pretty night, what a pretty night
You finally fit into my shoes, I'm never dressed for the occasional

Invasion of surprises, I don't get surprised

You think your secret's safe with you

I'll catch it swinging through the grapevine
It's time I let you go

And here's looking at you, kid

Your last word comes out

Slower than you thought it would

Its all you ever wanted
But you couldn't see me coming with the lights out

You're gonna find out, I'll leave you raining on your own parade

Gung ho, you let your guard down, you're nothing but a write-out

I'll leave you raining on your own parade
I'm taking shame with you for taking 2

Too many years that could have lasted, now, we'll never get back

But tonight the moon will set the mood

I'm a train routed off course just to keep on track
And what a petty crime, what a petty crime
How could you be anything but greedy when its all that you know?

Give another try, give another try

But if you're one for the money than you're too good to show on time
I let you down

And here's looking at you, kid

Now, that I found

And caught you red handed

I'm the last man standing
Cause you couldn't see me coming with the lights out

You're gonna find out, I'll leave you raining on your own parade

Gung ho, you let your guard down, you're nothing but a write-out

I'll leave you raining on your own parade
You couldn't see me coming with the lights out

You're gonna find out, I'll leave you raining on your own parade

Gung ho, you let your guard down, you're nothing but a write-out

I'll leave you raining on your own parade
Take my goodbyes with love and meaningful lyrics
I got you this time, I got you this time

A closing line unannounced and breaking your spirits

A curtain call cry, I got you this time, I got you this time
It's happened all before, with you the one to call it short
But girl, when I say that it's over then its over for good

We're nothing now but history

I'll leave you reminiscing in a diary regretting paying dues
You couldn't see me coming with the lights out

You're gonna find out, I'll leave you raining on your own parade

Gung ho, you let your guard down, you're nothing but a write-out

I'll leave you raining on your own parade You couldn't see me coming with the lights out
You're gonna find out, I'll leave you raining on your own parade
Gung ho, you let your guard down, you're nothing but a write-out
I'll leave you raining on your own parade You couldn't see me coming with the lights out
Soon you're gonna find that I'll take you out, this is an outrage
Gung ho, you let your guard down, you're nothing but a write-out
I'll leave you raining on your own parade, yeah
I'll leave you raining on your own parade, yeah
