# Black Java

## The Black League

I don't wanna wake up in the morning
And find myself in a world of shit...
Don't wanna wake up in the morning
It's a different day but the same ol' shit...Now you might think that it's a fuckin' joke
But I gotta live with it every day of my life!I don't wanna have me another cup
But I still need to get my fix...
- Yeah, I gotta get my kicks
Though it burns a hole in my stomach
And a t times it makes me feel so fuckin' sick...
- But I still need to get my fixNow you might think that it's a fuckin' joke
But I gotta live with it every day of my life!
Now you might think that it's a fuckin' joke
But I gotta live with it every day of my life!
(I said it once, and I'll say it again now...)
Now you might think that it's a fuckin' joke
But I gotta live!!!.....
