Come back, my darling one  
I'm calling on you  
The road ahead is long  
And I must warn youI wonder where did she go?  
If I failed you  
I tell you right nowAll I want you to know, I love you  
All I need is the time to show youCome back, my fallen son  
Don't let them fool you  
'Cause when the day is done  
They'll never move youLay down your senseless pride  
(Got more than you)  
Put out your mournful tones  
I tell you right nowAll I want you to know, I love you  
All I need is the time to show you how I feel  
FeelLay down your senseless pride  
You traveled once too often, yeahI tell you right nowAll I want you to know, I love you  
All I need is the time to show you, oh yeahYou know, I love you  
All I need is the time to show you how I feel
