

# Closure

## Chevelle

Breathe, trust, bless me and release  
Climb, hard, never be seen  
Closed off, rescue to breathe  
Just bless me Two sided time  
Your rebirth can't hurt  
Branch out behind, the pain Closure has come to me myself  
You will never belong to me  
Closure has come to me myself  
You will never belong to me Had to to turn, lay down  
Your sting of disease  
Phase you out  
Should've seen this coming  
Go on confusing the soul  
Hold my breath 'til you rupture Three days aside  
Your rebirth can't hurt  
Branch out behind, pride Closure has come to me myself  
You will never belong to me  
Closure has come to me myself  
You will never belong to me Like a leech  
I hold on as if we belonged  
To some precious pure dream  
Cast off, you've seen what's beneath  
Now fail me Forget closure  
Forget closure  
Forget closure  
Forget closure Closure has come to me myself  
You will never belong to me  
(No)  
Closure has come to me myself  
You will never belong to me  
(Belong to me)  
So breathe  
(Ya)
