

# How To Love (feat. Sofia Reyes) [Fawks Flip]

## Cash Cash

[Intro]

One two three[Verse 1]

I been running from the pain

Trying not to feel the same

But it's a shame that we're sinking

See my confidence is shaking

And my heart is feeling vacant

So you try to fill it in[Pre-Chorus]

You say "I can fix the broken in your heart

You're worth saving darling"

But I don't know why you're shooting in the dark

I got faith in nothing[Chorus]

But love, pray for me

I never had somebody

So I don't know how to love

Pray for me

I know I need somebody

So I can learn how to love[Verse 2]

I know it's been a while

Cause my memory's on trial

For the way I used to be

My head is running miles

Round in circles and I try

To find the little light in me[Pre-Chorus]

You say "I can fix the broken in your heart

You're worth saving darling"

But I don't know why you're shooting in the dark

I got faith in nothing[Chorus]

But love, pray for me

I never had somebody

So I don't know how to love

Pray for me

I know I need somebody

So I can learn how to love[Outro]

I know I need somebody

I know I need somebody

I know I need somebody

So I can learn how to love

How to love

How to love  
So I can learn how to love  
How to love  
How to love  
How to love  
Love, love, love, love, love, love, oh  
I know I need somebody  
I know I need somebody  
I know I need somebody  
So I can learn how to love  
(Need somebody now  
How to love, love  
How to love, love)
