

# Waiting On The Sun

## Sixpence None The Richer

I'm going nowhere and I'm going to take my time  
All the questions in the world I can leave in my mind  
I'm waiting on the sunshine, the sunshine  
I'm waiting for answers  
I'm waiting to figure it out  
I took all my chances  
I slipped through my town  
I'm going nowhere and I'm going to take my time  
All the questions in the world I can leave in my mind  
I'm waiting on the sunshine, the sunshine  
The sunshine  
Well, it seems that my weakness  
Is sometimes my only strength  
And in my incompleteness  
You get your way  
I'm going nowhere and I'm going to take my time  
All the questions in the world I can leave in my mind  
I'm waiting on the sunshine, the sunshine  
The sunshine  
I'll be around and I will find my way back down  
Yeah, I've seen the sound of the sun  
I'm going nowhere and I'm going to take my time  
All the questions in the world I can leave in my mind  
I'm waiting on the sunshine, the sunshine  
The sunshine, the sunshine
