

Whatever Happened To My Rock 'n' Roll

Black Rebel Motorcycle Club

1, 2, 3, 4! You want a part of me
You want the whole thing
You want to feel something more than I could ever bring
You want it badly
You want it tangled
I want to feel something more than I was strangled I fell in love with the sweet sensation
I gave my heart to a simple chord
I gave my soul to a new religion
Whatever happened to you?
Whatever happened to our rock 'n roll?
Whatever happened to my rock 'n roll? She wants it hallow
She wants it tainted
She wants to feel something more than she was naked
You want to hide away
You scared you'll touch it
I want to feel something more than I can ever take I fell in love with the sweet sensation
I gave my heart to a simple chord
I gave my soul to a new religion
Whatever happened to you, rock'nroll?
Whatever happened to our rock 'n roll?
Whatever happened to my rock 'n roll? You know you never decide.
Why you can't trust their lies.
It's so much pain you can't describe.
There's got to be another reason for living. She wants your image
She wants your kiss
She wants to get inside your head and tell it like it is
You want it badly
You want it so completely
I want to feel something more cos I can't fuckin' breathe I fell in love with the sweet sensation
I gave my heart to a simple chord
I gave my soul to a new religion (rock 'n roll)
Whatever happened to you, rock 'n roll?
Whatever happened to our rock 'n roll?
Whatever happened to my rock 'n roll?
