

Open Up Your Eyes

Tonic

Choosing stones
Big enough to drag me down
Where I am
People's voices make hollow sounds
Just be quiet
They'll go awayOpen up your eyes
Don't let your mind tell the story here
Open up your eyes
Just let me goIt's so safe
It's so safe floating in the glass
While above
While above all your troubles pass
Just be quiet
They'll go awayOpen up your eyes
Don't let your mind tell the story here
Open up your eyes
Just let meOpen up your eyes
Don't let your mind tell the story here
Open up your eyes
Just let me go, let me go, let me go
Open up your eyes
Just let me go
