

Mud Dynasty

Lenny Cooper

Let me explain you the story of my life
Top good, number 1
You want some
Go get it some
Im living good as it gets
Hick live, until I. people hating on me and I can see why
Big truck roller, mud ball slinger
Moonshine drinker NRA banger
Good tar slinger, repping country 'til the death of me
Like I said, the story of my life: Mud Dynasty
Oh hell yeah, this is my truck
Jack 'em up, we rarely get stuck
Sling mud to the dipper, out of this galaxy
The story of my life, I call it mud dynasty
We roll hard, we roll hard
We roll strong, we roll strong
We roll tight, we roll tight
We roll long, we roll long
We roll fast, we roll fast
We roll deep, we roll deep
We roll trucks, we roll trucks
We roll jeeps, we roll jeeps
We roll early, we roll early
We roll late, we roll late
We love to roll, we love to roll
They love to hate, they love to hate
We roll together, we roll together
We roll apart, we roll apart
We roll to finish, roll to finish
We what we start yea
Oh hell yeah, this is my truck
Jack 'em up, we rarely get stuck
Sling mud to the dipper, out of this galaxy
The story of my life, I call it mud dynasty
We roll Chevy, roll Chevy 45, 45
Mickey Thompson,
We ride high, we ridin high
Straight pipes, straight pipes
KC lights, KC lights

Thats right, thats right
Mud Life mud life
Dashboard, Dashboard
Mossy Oak Mossy Oak
Copenhagen, Copenhagen
Marlboro smokes, Marlboro smokes
Im going through your mind like a fantasy
Like I said before, my life: Mud Dynasty
Oh hell yeah, this is my truck
Jack 'em up, we rarely get stuck
Sling mud to the dipper, out of this galaxy
The story of my life, I call it mud dynasty
Oh hell yeah, this is my truck
Jack 'em up, we rarely get stuck
Sling mud to the dipper, out of this galaxy
The story of my life, I call it mud dynasty
Yea
Mud dynasty
