I

Perfect Pussy

My best friend is back in town
There's a bad taste in my mouth
Her eyes fell low and heavy with shame and cum
She must have been desperate; she acted so lonely
She is deserving of affection, I am glad that she found loveWhat love lays bare in me is energy
So I give up that which keeps me going and I still end up lonely
Sick with loss and shame so I edit for mistakes to determine what I'd done that made her act this way
She'll forget her actions
Someday I'll forget her actions
She's to ashes to ashes to ashes, we will all die someday
I am full of light
I am filled with joy
I am full of peace
I had this dream that I forgave my enemies
