We're All The Way

Eric Clapton

There's no cause to think that I won't stay
Haven't I been with you all the way?
There's no time like now to make amends
After all, we are more than friendsThis could be the time for you and me
We could go wherever we should be
So don't put words between us we shouldn't say
And don't be acting halfway
When you know we're all the wayThere are times when I don't see the light
Well I don't know if what I do is right
But when I'm wrong, it's never meant for you
So, don't confuse my love with what I doThis could be the time for you and me
We could go wherever we should be
So, don't put words between us we shouldn't say
And don't be acting halfway
When you know we're all the way
