

Large

Taken by Trees

Are you with me or not?
Round then, it's ahead from the top
Heading from something I wouldn't stop
Is it what you had in mind?
Are you calling me away?
I see head of something, head of something, head of something large
Larger than life Sometimes you also get a second chance, a second chance
Sometimes you also get a second chance, a second chance Are you with me or not?
Round then, it's ahead from the top
Heading from something I wouldn't stoW
Is it what you had in mind?
Are you fallowing me around?
I see head of something, head of something large
Larger than life Sometimes you also get a second chance, a second chance
Sometimes you also get a second chance, a second chance
