

Diving

N'to

Tell me a secret, I'll tell you mine
Tell me about desires you hide inside
There is so much that we should've done
I was insecure but now I'm strong
Diving whatever it may take I keep on trying
Diving into you, diving
Knowing it was you, I keep on trying
Diving into you, diving into you
Oh I'm diving, into the blue
We are rising celebrate the night
It was you who showed me how to fly
Diving whatever it may take I keep on trying
Diving into you, diving
Knowing it was you, I keep on trying
Diving into you
Diving whatever it may take I keep on trying
Diving into you, diving
Knowing it was you, I keep on trying
Diving into you
