Be With You (Inst.)

Akdong Musician

ENGLISH TRANSLATEwithout a reason, i'm smiling and thinking of you
i wonder if love is like this
the sun during the day and the moon at night too
they don't know my heart
be with youcry cry don't ever cry
i don't ever want you to be sad baby
i now know what love is
fly fly forever fly
all day withyou, the two of us for life
i want you, i want true loveam i in your hear?
it's easy to be the only one
my heart is anxious without a reason
you seemed like you were mine
i want to be with youthe awkward distance between moderates as we walk
how much should i change my stride
so that the moment your eyes land on my face comes?
this has been worrying me every night
what do i do if i don't want to confuse you?without a reason, i'm smiling and thinking of you
i wonder if love is like this
the sun during the day and the moon at night too
they don't know my heart
be with youthis alone time
even i don't know what to do right now
you have come to me, right in front of me
i want you to become mineseing you cough makes me cough too
but actually i'm hiding a laugh
sometimes i'm tired and i'll yawn
but i'm so happy about us the tears flow
because i want you so ardently
i'll proundly tell everyone that we are onebaby i just want to be your love
i'll love you
i have for years and i will continue todaywithout a reason, i'm smiling when i'm beside you
on days that my heart hurt, i don't want to cry
if you're waiting with your eyes closed, can i go to you first?
be with youcry cry don't ever cry
i don't want to be with you sad baby
i now know what love is
fly fly forever fly
all day with you, the two of usfor life
